We will continue to improve standards in Maths by the end of Foundation Phase and will also extend to use Singapore Maths Strategies in Years 3 and 4.

We will continue to improve standards in both Welsh and English reading in KS2, especially in upper levels of attainment.

We will develop the school as a ASD friendly school- we will work with pupils, staff, parents and Governors to raise awareness and understanding of learners with Autism.

We will continue to promote the Welsh ethos of the school and will strive towards obtaining the Gold Mark for the Welsh Language Charter after successfully obtaining the Silver award in July 2017.

How we want to improve at Ysgol y Llys in 2017-18?

We want to continue to raise the level of pupil attendance at Ysgol y Llys and have set a whole school target of 96% for 2017-18

We want to develop an outdoor area of learning for the Under 7 Unit- an area to promote literacy, numeracy skills and also practical and social skills.

We will continue to improve communication with parents- improving upon our systems such as communication via email, website, newsletter, Twitter and also introduce a new 'app'- 'OurSchoolsApp'.
