Dear Parents,

Staffing: Our deepest condolences go to Mrs Bethan McCabe who recently lost her father and also to Mrs Julie Baskeyfield who has lost her husband recently. Our thoughts are with them and also their families at this difficult time.

Best wishes to Mr Simon Holland who will be finishing work on Friday, 26.05.17 as teaching assistant at Ysgol y Llys and will take up a new full time post with the Fire Service. We wish him well and thank him for all his hard work and dedication to Ysgol y Llys.

Year 6 Transition Day- It was confirmed yesterday that there will be ONE transition day for Year 6 pupils to Ysgol Glan Clwyd this year, rather than the two days as happened in previous years. The reason being the continued building works ongoing as part of the Glan Clwyd school extension and also due to increase in pupil numbers into the next Year 7 cohort. The date confirmed is Thursday, July 6th, 2017. Transition documentation will go home to families today with Year 6 pupils and it to be returned to Ysgol y Llys and not Sent directly to Ysgol Glan Clwyd please. Paperwork to be returned as soon as possible please.

Ysgol y Llys Transition Arrangements- We will hold our own transition day on 06.07.17. Pupils will visit their next class and meet their new class teacher at 10:00am and spend a morning session with the new class. New nursery pupils will be invited to school to spend time in the Under 5 Unit and these pupils will also be offered a free school meal on the day.

Welsh Language Charter Update- We will be holding 'Cool Wales Week' during May 22-26th, 2017. It will be a celebration of all things Welsh and in particular the Welsh language and Culture. A flyer listing various activities will be shared with parents next week. Please look out for it.

Parents Information Session- On Wednesday, May 24th, a group of Junior Pupils will give a presentation to parents regarding the latest developments at Ysgol y Llys in relation to the Welsh Language Charter. The pupils will also give parents a presentation on various interactive Welsh language 'apps' pupils may use both at school and at home with parents. The presentation will happen in the Nurture Room on the first floor of the school extension and will begin at 2.15pm. This is to try and encourage as many parents to attend. Parents may they pick their children up from the school gates at either 3:00pm or 3:15pm. Please support this session.

Reading- Improving Reading skills in both Welsh and English is one of the priorities of the school development plan at Ysgol y Llys for 2016-17. Next week we will be launching a new initiative to encourage children to read Welsh at home and for parents to also participate. The challenge will be for parents to listen to their child/children read in Welsh for 5 minutes, five times a week for five weeks. Children are to note every time they read and parents are encouraged to note this in their child's reading record. Each pupil who completes the challenge will receive a certificate at the end of the period and there will also be various prizes for pupils. This challenge will go out in paper and electronic form at the end of next week.

Regards,
