Dear Parents,

HEALTH AND SAFETY MESSAGE- To Junior pupils.

At the end of the school day after the school bell has rung, staff walk their pupils down the drive to the gate between school and the parents standing area. Here, pupils are transferred to their parents. A reminder to all KS2/Junior pupils that if their parents are not present, pupils are to return to school with staff and to remain in school reception area whilst staff make enquiries with parents via phonecalls. Parents, please ensure ALL contact details are current and correct. We do not allow pupils to walk home themselves unless prior agreement is obtained between home and school. Pupils who have not been picked up on time will be in the school reception area.

Please note! A number of Year 5 and 6 pupils walk home themselves at the end of the school day. The school **MUST** receive written consent by parents of this. If parents wish their child to walk home by themselves (in Years 5 and 6), written consent **must** be obtained. If applicable, please send a written note in as soon as possible.
