## Childcare for Key Workers

Dear Parent/Carer,

We have had several enquiries regarding the provision for childcare over the summer holidays and wish to share with you the current situation.

- Funded childcare in the Hub, for children of school age will end at the end of term – Friday 17<sup>th</sup> July 2020. After this date, you should access your usual childcare arrangements. Childcare settings have been able to re-open and increase capacity since the 22<sup>nd</sup> June 2020, as well as easing of lockdown arrangements to support working parents with informal childcare arrangements. <https://gov.wales/extended-households-will-enable-families-be-re-united>.
- Funded childcare for key-worker children of pre-school age (Under 5s) may be available over the summer holidays (until 31<sup>st</sup> August), if you are working in a role related to the COVID response. Please follow this link for further information: <https://gov.wales/childcare-under-five-year-olds-parents-guidance-coronavirus>
- If you require childcare for either pre-school or school-aged children we advise you to book with your provider as soon as possible. You will be expected to pay for this unless you are entitled to the *Coronavirus Childcare Assistance Scheme (C-CAS)*.

## C-CAS – how to apply

You need to contact the Family Information Service to access the fund. Please phone on the number below. Applications close on July 10<sup>th</sup>, 2020
